

## ***“Losing Our Land”***

“Losing Our Land” is the title of Blaze TV’s *“For The Record”* episode shot here in New Mexico in June 2014 and will air on December 3rd. Several million people will view “Losing Our Land”, across the U.S.

“Blaze TV, *“For The Record”* producers and their camera- crew were here for 3 days in June.

- Day 1 – Impact of U.S. Forest Service fencing cattle off water in the Agua Chiquita in the Lincoln National Forest to protect the habitat for the endangered Meadow Jumping Mouse.
- Day 2 – Impact of Obama’s Proclamation of the Organ Mountain Desert Peaks National Monument on ranchers in Doña Ana County.
- Day 3 – Impact of U.S. Fish and Wildlife Service’s biased management of Mexican wolves on ranchers and rural communities in New Mexico and Arizona who bear the brunt of the economic burden.

Please share far and wide.
