Q9

What are your past political activities (Offices held, candidate, volunteer, etc)

State Rep 2011-2012 and State Rep 2015-2018

Q10

Why are you seeking this office?

New Mexico is broken. We are at the bottom of every good list and on the top of every bad list. Liberalism and the road to socialism NM is on does not work. What made the USA great and prosperous was capitalism, Godly morals, values and principles, the Declaration of Independence, the Constitution and common sense. NM needs better Leadership.

Q11

No

Have you or your business, if you are a business owner, ever been the subject of any state or federal tax liens? If yes, please explain.

Q12

No

Have you ever been involved in a personal or business bankruptcy proceeding? If yes, please explain.

Q13

No

Have you ever been arrested, charged, or convicted of a misdemeanor or felony crime in New Mexico or any other state? If yes, please explain.

Q14

State Budget: New Mexico's state budget provides for the state's recurring expenses such as general management, education, facility maintenance . . . etc. Other expenditures are not recurring, such as road construction, infrastructure expansion, ... etc. What do you think is most important for New Mexico to do when there is surplus revenue?

Surplus tax revenue should be used to build reserve funds

'
Please explain your answer:
Build reserve fund for emergencies and budget shortfalls like we undergo periodically, like the COVID-19 pandemic or Governors overspending.

Q15

Legislator funds: Legislators are usually provided funds for specific projects within their districts. How do you think these funds should be distributed to legislators?

Distribution based on economic activity and tax income production by county

'
Briefly explain your answer :
Capital Outlay needs to be completely changed for infrastructure needs and economic activity. Individual legislators should not have equal distributions.

Q16

State Tax Code: On a scale of one (critical) to five (unimportant), how important is it that New Mexico completely restructure its tax code?

(no label)
Comment:

1 (Critical)
Gross receipt taxes is a terrible way to tax, resulting in massive tax pyramiding. We are one of the only States left with GRT.

Q17

State Tax Code: Are you in favor of the current Gross Receipts Tax (GRT) system for NM or moving to a sales tax?

Sales Tax,
Explain your answer:
Taxes would be more equitable.

Q18

Crime: Do you believe that the crime rate and the court's handling of existing laws (sentencing, catch & release protocols, etc.) in New Mexico negatively impacts our ability to attract new businesses and industries to our state?

Yes,
Please explain your answer:
Albuquerque has the most crime in the nation for a city of its size.

Q19

Government Mandates: What is your position on government mandates as they apply to businesses?

Some mandates are acceptable but should be formulated through a review process that assures goals are met while not hindering or impeding business operations.

Please explain your position:

Renewables are more expensive and less reliable than our abundance of natural gas. Gas added a billion dollars to NMand is 1/3 of our budget, alternate energies why need to be subsidized with tax dollars.

Q20

Energy: NM's oil and gas producers were largely responsible for the dramatic increase in state tax revenue for 2019. Do you support effective land and resource management that allows these extractive industries to maximize production and budgetary support for NM?

Yes

Q21

Regulation: On a scale of one (critical) to five (unimportant), how important is environmental regulation to protect New Mexico's land, air, and water?

(no label)

3

Briefly explain your answer:

NM needs some management of the environment, but needs be reasonable with business.

Q22

Regulation: On a scale of one (critical) to five (unimportant), how important is it that New Mexico thoroughly review regulations to determine use and usefulness in regards to protecting citizens without unnecessarily overburdening business?

(no label)

1 (critical)

Please explain your answer:

NM is overregulated.

Q23

Land Grant Permanent Fund: Do you support or oppose increased distributions (above the current 5%) from the Land Grant Permanent Fund?

Oppose

Q24

Employment Laws: What is your position on government mandated employee benefits like sick leave, PTO,... etc?

Oppose

Q25

Employment Laws: In recent years, legislation is proposed each session concerning the state's minimum wage. Please state how you feel wages should be determined and explain your answer.

Wages should be determined by allowing the free market or supply/demand to determine an appropriate amount

Please explain your answer:

A third party (Government) should not be involved in the agreement between an employer and employee. Wages for all would be higher if the government would allow the free markets to work,

Q26
