**Q7**

If elected, what would be your first priority as a School Board Member?

To help advance the communication between the board and the community.

---

**Q8**

What place do you believe parental rights have in our school system?

I believe that parents are a critical part of a child's education. I believe parents rights should be protected and added by the board.

---

**Q9**

What would you do to improve student academic outcomes?

I would monitor student testing outcomes. Make sure teacher evaluations happen and find more ways to help students enjoy school and their programs.

---

**Q10**

On what principles would you choose the curriculum for our district?

On a proven, appropriate guidance. Help promote curriculum to advance our children's future.

---

**Q11**

What is your opinion on SB 397, the recent law passed regarding school health clinics to be accessible for all New Mexico students at school for universal health, dental, eye, and psychological care?

As long as the bill does what it will as of taking care of the children, I am for the bill if parents are involved. I hope it will promote good health care and students to get help when needed.

---

**Q12**

What is your opinion on parental notification for all student health concerns?

I feel parents should be a vital part of their families health concerns.

---

**Q13**

Why are you seeking to be a school board member, and what makes you the most qualified person to be elected?

I have been going to meetings for over a year. I have been educating myself on the issues. I care what my children are involved in. I want what is best for our community and schools.
