

## Key Message

A Consolidated Local Election will take place on Nov. 5, 2019 in Bernalillo County, which includes the City of Albuquerque, Village of Tijeras, Village of Los Ranchos de Albuquerque, as well as other entities.

This election is the result of the Local Election Act, which went into effect on July 1, 2018.

## Defining the Problem

Prior to the Local Election Act, local governments could conduct multiple elections throughout the year, which often created confusion for voters and reduced voter turnout.

## The Solution

The Local Election Act aims to improve efficiency and reduce the costs associated with administering multiple elections. It also aims to provide a more consistent experience for voters and increase voter turnout by eliminating the confusion surrounding when an election takes place, where people can vote, etc.
