

NEW MEXICO BUSINESS COALITION

HEROES BANQUET

Saturday, November 14, 2020 | Albuquerque Marriott

Join the New Mexico Business Coalition (NMBC) in honoring New Mexicans who go above and beyond. Your sponsorship of NMBC's annual Heroes Banquet ensures the unsung heroes, who work tirelessly to protect our freedoms and whose efforts ultimately make the state a better place to work and live, are recognized.

This year the Heroes Banquet will honor first responders, military veterans, and other heroes from around the state.

Part of the proceeds benefit; 1) those being honored; and 2) Rebound New Mexico, a non-profit working with the economically disadvantaged to improve skills and encourage movement from poverty to prosperity.
