State Tax Code: On a scale of one (critical) to five (unimportant), how important is it that New Mexico completely restructure its tax code?

(no label)  
Comment:

**1 (Critical)**

The current tax code is very unfair to New Mexicans and their businesses. They are over burdened and taxed by gross receipt taxes and business taxes. These taxes need to be either eliminated or drastically reduced.

**Q17**

State Tax Code: Are you in favor of the current Gross Receipts Tax (GRT) system for NM or moving to a sales tax?

**Sales Tax,**

Explain your answer:

I

**Q18**

Crime: Do you believe that the crime rate and the court's handling of existing laws (sentencing, catch & release protocols, etc.) in New Mexico negatively impacts our ability to attract new businesses and industries to our state?

**Yes,**

Please explain your answer:

Because of the "Open Boarder" mindset by progressives in New Mexico crime has a tendency to rise. Sanctuary Cities or even broader Sanctuary State shields those here illegally from prosecution of crimes committed. Our current system and progressive judges have a tendency to be lenient to criminals.

**Q19**

Government Mandates: What is your position on government mandates as they apply to businesses?

**I oppose government mandates on business because they should be left to make the decisions that allow maximum profit and growth.**

**Q20**

Energy: NM's oil and gas producers were largely responsible for the dramatic increase in state tax revenue for 2019. Do you support effective land and resource management that allows these extractive industries to maximize production and budgetary support for NM?

I would like to see New Mexico work a new deal to where NM gets a larger percentage from resources taken from public lands.

**Oppose**

**Q24**

Employment Laws: What is your position on government mandated employee benefits like sick leave, PTO,... etc?

**Oppose,**

Comments:

I believe a strong business environment thrives when business is allowed to be independent from government and regulations. Businesses should abide by basic employment laws but forcing businesses to offer benefits may put many out of business. Remember we are Free in the US to work or not work for a particular employer.

**Q25**

**Yes**

Do you support an Article V, Convention of States to address proposals that would limit the power and jurisdiction of the federal government, impose fiscal restraints (balanced budget amendment), and place term limits on federal officials?

---

**Q29**

Is there anything else you would like to share about your candidacy or your desire to serve the people of your district?

The people of my district continually let me know that Progressives are ruining New Mexico Values. Many Leftists from New York, Minnesota and the West Coast don't value family and our God Given Constitutional Rights. I'm a New Mexican for New Mexico and want to restore our values that are being torn down and degraded daily.
